Provider Signature Log, E-Signature & Equipment Authorization

I confirm that I am authorized to order laboratory tests and understand that all TestGO orders require a legible provider signature (handwritten with credentials or approved electronic). Stamped signatures are not accepted.
I authorize TestGO to use my signature below as my electronic signature for all past and future test orders through the Client Web Portal or EMR systems. This signature also applies to any paper requisitions missing a valid signature.
I acknowledge receipt of TestGO equipment and agree it will be used only for TestGO services at the assigned location. I will maintain all safeguards per HIPAA/HITECH standards and notify TestGO immediately in case of loss, theft, or damage.
All equipment remains TestGO property and must be returned in good working condition upon request.
